

CC

The children will be studying the History of Childhood with a focus on toys and school.

Computing

We will begin to learn about the importance of staying safe on the internet and will explore the elements of Purple Mash.

RE

The children will learn about the Creation story and think about what they are thankful for. Using prayer as a way to become closer to God.

Music

In music, the children will be learning the hymn 'All that I am' and begin to learn music appreciation.

PE

The children will be building their co-ordination through infant agility circuits, BEAM/Yoga.

PSHE

We will be learning that we are all God's children and each of us is unique and individual, with different gifts and talents. Zones of regulation will be used within the classroom, in order for the children to recognise how they are feeling.

Year 1 Autumn Term

English

During our English lessons we will focus on how to structure a sentence using the correct punctuation. The children will develop their understanding of how to join a sentence, adding interest and detail using adjectives. We will also be focusing on handwriting and using lead-outs when forming letters.

Science

We are learning about seasonal changes. We will talk about the four seasons and then Autumn in more detail.

The children will learn about the properties of everyday materials and their uses.

Outdoor learning will also focus on everyday materials and answering the question – Why are objects made from certain materials?

Art/DT

DT: The children will learn about sliders and leavers and at the end of the topic will create their own puppet theatre.

Art: The children will be introduced to the idea of spirals and how we can mark make with different mediums.

Maths

Children will develop their understanding of 2D and 3D shape, place value through counting, ordering and comparing numbers. Then we will look into addition and subtraction, focussing on number bonds
